Message from the Chairperson PROF. DR. SRIRAM BHAGUT MATHE

Dear Students, Alumni, Parents, Guardians, Faculty, Staff and Promoter Friendsand other Friends and Well-wishers of Xavier Academy and Kathmandu Don Bosco College,

On the auspicious occasion of the Nepalese New Year 2079 BS, I wish the entire Xavier Academy and Kathmandu Don Bosco College families, as well as all friends and well-wishers a VERY HAPPY, HEALTHY AND PROSPEROUS NEPALESE NEW YEAR 2079 BS! May the New Year 2079 BS be better than the last two years in all aspects, study-wise, work-wise, health-wise, career-wise, both on the personal and professional fronts, and most importantly, pandemic wise. Let us hope and pray that we have seen the worst of COVID-19.

COVID-19 tested all our collective and individual resolve, and will continue to challenge us for some time. The last two years of the pandemic have proven yet again that the human spirit is resilient to cope with any type of challenge, including the many challenges posed by the COVID-19 virus. Our normal lives turned topsy turvy, but we gradually adapted to the "new normal". We cannot yet afford to be complacent, but at the same time, we cannot put our lives on hold, as many of us may have done during the past two years. It is time for us to move ahead with new dreams and work with commitment and passion to achieve our new dreams.

To the XA Class XII and Class XI students as well KDBC e/MBA students, who are now preparing for their final examinations, I wish to remind all of you the two famous quotations "you will reap what you sow" and "success is 99% perspiration and 1% inspiration". Success will come to those who are willing to study hard and study smartly. If you put your heart and soul in your studies in the coming few weeks, you will do very well. Excelling in your studies is important to achieve your dreams of studying in reputed and prestigious colleges/Universities in Nepal and abroad. To those students, who have not done particularly well the whole year, I wish to encourage them to give their very best in the coming weeks. They will be very surprised what can be achieved in a few weeks when one gives one's best. What is most important is for all the students to give their very best.You cannot afford to waste time any more. If you study well and get good results, many doors will open for you. If you do not study well, you are likely to get poor results and you are likely to find that only a few doors are open for you. It will be too late to repent as you cannot turn back the clock.

I WOULD LIKE TO WISH ALL OUR STUDENTS THE VERY BEST IN THE EXAMS AND THE VERY BEST OF RESULTS SO THAT YOU CAN ACHIEVE YOUR DREAMS AND, AT THE SAME TIME, MAKE YOUR PARENTS AND ALL OF US PROUD.

It is with great pleasure that I wish to inform all of you that we will be celebrating the 25th Anniversary of Xavier Academy on the 1st of August. We will be celebrating 25 years of academic excellence, 25 years of total personality development and contributing to quality human resources development and, above all, 25 years of caring and nurturing the students, who passed through our academic portals. Many of our graduates have excelled in their chosen careers. More will do so in the coming years. This is the time for us to reflect and celebrate our many achievements during the past 2.5 decades, as well as to plan on how we can do better interests of the students central to our decision-making process. July will be a very busy month with the Inter College Debate Championship – Mahasangram 2022 and XA Model United Nations (XAMUN), both of which will be international events with international participants. There will be Art and Essay Competitions and Exhibitions and Alumni Homecoming. The Freshers' welcome and Dress Rehearsal will be on 31 July 2022, and the main felicitation and gala event will be held on the 1st of August 20122. The 25th Anniversary celebratory events will end with social service and tree plantation activities. I do hope that both our current XII and XI students will take advantage of this rare opportunity to showcase their organizational and leadership skills and competitive spirit, especially after their final examinations are over.

I wish to take this opportunity of thanking the Board of Directors and all the promoters for supporting me for the past many years. I also wish to offer my special thanks to the senior management of XA and KDBC and all the faculty members and staff of both XA and KDBC for their commitment, sincerity and their contribution for making XA and KDBC outstanding educational entities. I am sure they will continue to enhance the prestige and reputation of the two colleges in the coming years.

In conclusion, I wish to thank all the parents and guardians, past and present for your trust, confidence and support to XA and KDBC. Most importantly, I wish to thank all the students, past and present, for making XA and KDBC excellent education institutions in the country.

From the Principal's Desk

Dear Students, Alumni, Parents, Board Members, Team members, Friends and Well wishers of Xavier Academy (XA) and Kathmandu Don Bosco College (KDBC)

Time is most important and its management skill is what makes us successful in our endeavors. The pandemic posed challenges that not even the best prepared ones could have anticipated. Suddenly, on top of an already very heavy load, people started facing new tasks of managing time, manipulating schedules, preparing for new challenges, understanding and overcoming health nuances. Students were left oscillating between what is important and how much time must be allocated for each subject of importance.

The pandemic that bolted us within the four walls of our houses and helms of virtual screens rendered us vulnerable victims of mismanagement and poor schedules. We were/are left with new challenges and our quest of finding ways of overcoming them.

I truly feel for our students who had online classes and online exams for the last two years and more. These are the ones now gearing up for physical exams and might be a little panic-stricken. I would like my students of XA and KDBC to give a fair share of their time to academics. Please remember, most successful people are well-educated and have achieved success through learning and wisdom. You might quickly count names of few exceptional cases of successful ones but do not forget learning cannot alone be associated with classroom activities and the grade sheets we carry.

Learning is magnanimous and encompasses everything – from knowledge, to discipline, to values, to ethics, to marks, and many more. Success mantras do not come in capsules. They must be learnt through continuous effort and hard work. Commit to your memory that your future is in your hands and you alone can shape your future with dedication and sheer ward work.

My dear students of XA and KDBC, many of you reading this newsletter are preparing for the Board exams. Keep aside your distractions, make a study plan and execute. Planning alone is not enough; execution is more significant.

I would like to wish you good luck for your exams. Be sincere and ethical in your endeavors. Give your best and receive the best. We all know – ***what goes around, comes around.***

This message cannot be complete without me congratulating Ms. Utsah Lamichhane , MBA 2018 Spring Intake, for making the college proud. She has won gold medals in all categories in the Purbanchal University 10th Convocation. Her success is a testimony of the fact that academic excellence can be achieved if one chooses to excel. The College, its board members, alumni and well wishers would once again like to laud Ms. Lamichanne for giving us the joy and a matter of pride. May she excel in her future academic as well as professional pursuit.

- Ms. Rashmi Sharma Mainali

MAHASANGRAM 2021

Press Release for Mahasangram 2021
Date: September 15, 2021 AD
Prepared by Debate Network Nepal

6th Mahasangram 2021 was co-organized by Debate Network Nepal and Xavier Academy from September 10 till September 12 with Nabil Bank as our banking partner. Debate Network Nepal was the primary organizer of the tournament while Xavier Academy provided valuable financial and organizational support. The event was held online over Zoom and Discord and saw the participation of multiple institutions from all around the world.

Prior to the event, DNN had worked with Digital Matter files to organize 7 lectures on various subjects for free of cost. Besides this, the organization also conducted free training in Global College of Management and Bloom school.

Mahasangram 2021 was successfully conducted with the participation of over 100 Debaters, 4 Chief Adjudicators, 2 Deputy Chief Adjudicators, 30 Adjudicators, and numerous observers. We saw participation from 17 nations, making this a global event. We provided scholarships to 10% of the participants with financial hardship ($40) to make sure that money was not a burden to access the event. The countries include Australia, Bangladesh, Germany, Ghana, India, Japan, Kenya, Nepal, Pakistan, Philippines, South Korea, Taiwan,Thailand, UK, US, Vietnam, and Zimbabwe. The debate saw 5 preliminary rounds followed by an Open Final and a Nepal Final. TheOpen Final saw the team comprising Jessica Musulin & UzairTajuddin become the winners of Law Debates 2021. Jessica Musulin was the best speaker for Mahansagram 2021 Open Finals.

The Opens Finals comprised of teams including Avash Byanjankar & Audrey Melody, a team from Osaka University including Kan Morita, and Masachika Onishi, a team from the University of the Philippines – Mindanao including Fred Omalza, and MJ Galendez.

The team from the University of the Philippines – Mindanao including Albrecht Rey Asumbrado and Rey Anthony Porras were the winners of Mahasangram's Novice category.

Albrecht Rey Asumbrado was the best speaker for Novice Finals. The Novice Finals comprised of teams from College of Engineering Pune including Esha Dorle and Soumitra Tonapi, a team from Anglo Singapore International School including Yuenbing Ooi and Raya Kanakakorn, and the team from Christ University- School of Law including Rohan Mathew Therattil and Adity Sunil.In terms of other achievements, Jessica Musulin was the Overall Best Speaker of the tournament and Yuenbing Ooi was the Best Novice Speaker. Shreya Shetty was the Best Adjudicator. Mahasangram proved to be a fruitful and productive event that saw a huge outreach within the Nepali debating community and beyond.

VIRTUAL CLASSES RESUMPTION

20 Oct, 2021

The pandemic continued to hit for long and Xavier Academy was also compelled to run virtually even after the Dashain Vacation. This measure was taken following suggestions from the parents. There were diverging voices but the college had to go by the decision of the majority. This method was temporary and the college decided to opt for all the necessary precaution for an immediate physical set up.

1ST TERM EXAMINATION FOR GRADE 11

9 November, 2021

The college spent exorbitantly on safety measures. Organic body sanitizers, compulsory masks, portable sanitizers are installed at different places in the college premises to ensure safety of each child. We have vigilant members who check temperature through thermal guns and help in distance maintenance as measures to combat Covid virus. The 1st term exam for grade 11 was physically done with utmost care and precautions.

PRACTICAL EXAMINATION FOR SCIENCE STUDENTS

12 November, 2021

Students of Grade 12 Science Stream appeared for their Grade 11 Final Practical examination. The exams were conducted for three days in a row – 12, 14 & 16 November.

STUDENT COUNCIL BADGE DISTRIBUTION

26 November, 2021

Though the Students Council was formulated but the badges could not be distributed until physical classes were run. The Badges for Senior Council – Management was distributed on 26 November, 2021 and it was only on 29 November the badges were distributed to Council members - Science stream. The distribution was done in a solemn ceremony in the College's auditorium in the presence of the Principal, Vice-Principal and Program Co-coordinators.

ART EXHIBITION

2 December, 2021

Ms. Supriya Pandey, Science Student, displayed her art work in a solo exhibition at the Nepal Art Council. The theme drew our attention as it focused on Women Violence on the theme – From Womb to Tomb. The college is proud of its student who succinctly highlighted a social issue. Students were taken to observe the exhibition. Her paintings were appreciated by our students and teachers and she was applauded for her work of art.

JUNIOR COUNCIL FORMATION

2 December, 2021

It was time that new students learn the ways of Student Council and start shouldering the responsibilities. After rigorous interview sessions, Junior Council was formed on Dec 2, 2021. The College is proud of the Junior Council selection and is rest assured that they will be exemplary for their friends and juniors. They are the path makers and are expected to play a key role in mediating the college's rules to their friends and juniors.

GRADE 11 AND 12 SECOND ASSESSMENT

5 – 10 December, 2021

The students gave their 2nd Assessment test. The test normally takes place in the first period of their regular classes and the other classes run according to their regular routine. Assessment exams are mandatory for all the students as it is a part of the continuous internal assessment process.

RESULT DISTRIBUTION AND PTC

11 December, 2021

The result distribution was carried out innovatively this time to avoid parents thronging and not finding enough time to collect their ward's result. Class teachers of all section had notified the parents with a time-table for result collection and discussion. This method allowed parents enough time with the teachers and also made it easy without overcrowding, and finding ample time to discuss their ward's academic progress.

PSYCHOMETRIC TEST

13 - 14 December, 2021

Psychometrics is a scientific field concerned with the theory and techniques of testing personality traits and cognitive ability via different assessments, measurements and models. Mr. Ravi Bhattarai, a qualified professional, was invited to the college to speak to students about their interest area and aptitude measurement. The sessions were extremely fruitful and students have personally signed up with Mr. Bhattarai for follow-up sessions.

SOCIO-PSYCHO COUNSELING

15 December, 2021 onwards

Mental wellbeing is equally important as physical wellbeing. This pandemic not only invited uncertainty and lockdowns but also played a heavy toll on people. Students were badly impacted and wanted some ways to open up and confide. The college has incorporated the expertise of Mr. Santosh Shrestha and Ms. Rupa Pradhan, experienced socio-psycho counselors to help students ease their stress and pressure. The couple duo were invited for orientation sessions and the students immediately connected. Now, socio-psycho counseling sessions are given twice every month to our students.

25TH ANNIVERSARY LOGO RELEASE

1 March 2022

The logo for the 25th anniversary was discussed and designed after much brainstorming. The logo was finalized and released in the social media on the auspicious occasion of Maha Shivaratri. The logo will be used in all the official documents, physical and virtual, throughout the 25th Year of the college's establishment.

Our students were also taken to Apex College to witness medical and engineering preparation classes.

EDUCATIONAL FAIR

19 April. 2022

Most Nepalese students have the tendency of going abroad for their academic pursuit. As the students are passionate about going, and the parents are interested in sending their wards, there are times when our students have become prey to misinformation and improper guidance. The college felt the necessity to introduce a reputed consultancy that could proper guide the students. We have signed an MOU with Global Reach, a reputed and experienced education consultancy to help serve the purpose. The consultants, representing universities of seven countries, encouraged and counseled students of Science and Management students to only apply in universities that can offer quality education.

NOTE: The College believes in Nepalese Academics and requests its students to study in Nepal. The consultants were invited with the only purpose of helping our students in their dream to study abroad.

MOCK EXAMS FOR GRADE 12

17 April, 2022

Mock Tests for students of Grade XII Science and Management begins. The exam is a routine practice for our Board appearing students. The sole motive for mock exam is to prepare students for a bigger exam. Exams are held for three hours in each subject keeping in mind that the students will perform better in the HISSAN/Pre-Board Exam leading to Final/NEB Examination.

BUSINESS PLAN COMPETITION 2022

21 April, 2022

Students of Grade XII Management presented their research topics to the class. Their Business Studies teacher, Mr. Hari Om Gupta, encouraged the students by giving them certificate of excellence and appreciation for their commendable work.
